Reasons for Allowance

The following is an examiner's statement of reasons for allowance: As argued by applicant in the response filed 7/16/04, the prior art neither teaches nor fairly suggests a method of classifying an unknown tissue by rank ordering means and differences of means for variables from contrast and index tissues before comparison to measured values of variables for the unknown tissue.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
